

Genexis Home CX30

Home Series

Wi-Fi 6 Extender with 1GE

To meet the demand for higher capacity and broader coverage, your customers' homes deserve an extender that scales with their lifestyle.

Home CX30 pairs dual-band Wi-Fi 6 with Wi-Fi EasyMesh™ and adds extra LAN ports for flexible wired connections.

Paired with the Genexis Wi-Fi6 gateway, it integrates into a single mesh network, delivering consistent throughput and smooth roaming across the home. Whether wireless or wired backhaul, CX30 ensures every device performs without bottlenecks.

Key features

- Compact size, flexible placement options
- 802.11ax (Wi-Fi 6)
- Wi-Fi EasyMesh™
- 2.4GHz (2x2) and 5GHz (3x3) radio design
- Easy setup/installation
- EasyTouch Pairing with selected Genexis devices
- Genexis CloudSight compatible

Sustainability features

- Power consumption compliant to EU-CoC-BBE
- Housing made of 99% recycled plastics

Always the best WiFi experience with Wi-Fi EasyMesh™

When two (or more) Home CX30 devices are integrated in the same network, automatically an EasyMesh network is created between the installed Home CX30 devices.

Thanks to this EasyMesh network, end-users are able to fully experience the best WiFi connectivity throughout the whole home. Its mobile steering capabilities keep the load balance of the network in mind to steer the mobile devices to the correct access point.

Meaning that when the end-user freely walks through the home, it automatically connects to the most optimal access point at all time.

Resulting in the best possible WiFi experience for the end-user.

Product features and specifications

Genexis Home CX30

General specifications

Dimensions (H x W x D)	110x110x110 mm
Weight approx.	380 g
Power supply voltage	12 Vdc \pm 1,5A
Operating temperature	0 - 40 °C
Storage temperature	-30 - 70 °C
Relative humidity	10% - 95%

Power consumption

Home CX30	5.84 W Idle Mode
	6.37 W On Mode

WAN interface

1x 100/1000 Base-T Ethernet RJ45 port

LAN interface

2x 100/1000 Base-T Ethernet RJ45 ports

WLAN interface

2x2 MU-MIMO 802.11ax 2.4 GHz WiFi
3x3 MU-MIMO 802.11ax 5 GHz WiFi

User interfaces

Power connector
Reset button
WPS button
RGB status LED

Wireless features

Wi-Fi MultiMedia (WMM)
Wi-Fi Protected Setup (WPS)
Wi-Fi Security (WPA2 and WPA3)
Wi-Fi EasyMesh™ R2
DFS and Radar Detection
Multiple SSID and hidden SSID
Guest network SSID

Ethernet features

IPv4 and IPv6 dual IP stack
VLAN (un)tagging, Q-in-Q, QoS
PPPoE, L2TP, IGMPv3

Management and control

SNMP
TR-069, TR-369
TR-181 data models
Command Line Interface (CLI)
Genexis CloudSight
Fail-safe firmware upgrade

Regulatory compliance

Radio Equipment Directive 2014/53/EU
Energy Related Products Directive
2009/125/EC
CE Safety Directive 2014/35/EU
RoHS and REACH Directive 2011/65/EU
ITU-T K.21 standard compliancy

Package content

Home CX30
Power supply unit
